Dear Maria,

On behalf of the Horizon faculty and students, I would like to formally thank you for your generous donation to our school. It is community members like you that helped us see the silver lining in our difficult situation. As devastating as the vandalism incident was, the outpouring of generosity from our community was ten times as powerful. Please know that your donation and kindness was put to good use for our students.

One of my favorite quotes I shared with my faculty was, "When bad things happen, look for the helpers and the good they are doing". Thank you for being one of those helpers.

Sincerely,

Gary Harms
Principal
